++ Valid for broadcast between 1800 and 0600

Headline:
Patchy rain easing, brighter tomorrow.

This Evening and Tonight:
Any rain, sleet or hill snow will steadily ease during the evening with most places becoming drier with some clear spells possible, especially in the northwest. Feeling cold by dawn with a touch of frost. Minimum temperature 0 deg C (32 deg F).

Sunday:
A brighter day with occasional sunny spells, but still feeling cold in a northerly breeze. Some showers may develop during the afternoon, but these will be few and far between. Maximum temperature 8 deg C (46 deg F).

Outlook for Monday to Wednesday:
Feeling less cold from Monday but rather cloudy and damp at first. Drier and brighter on Tuesday and Wednesday with a risk of the odd shower on Wednesday. Frosty overnight.
